(a) *Four-percent tax.* Every person who operates or causes to be operated a hotel within the city is subject to and shall pay an occupational license tax in an amount equal to four (4) percent of the rent charged by the operator to a transient. If the rent is charged by the operator to the transient in installments, the tax thereon shall be due as provided herein for the calendar month in which the installment was charged. Upon the transient's ceasing to occupy space in the hotel, the tax on any uncharged rent shall be due for that calendar month.

(b) *One-dollar surtax.* In addition to the measure of tax established in paragraph (a), there is imposed upon every person who operates or causes to be operated a hotel within the city an additional amount of tax at the rate of one dollar (\$1.00) for each twenty-four[-hour] period or fraction thereof that each occupancy is rented.
